Focus on Supply Chain
Warehousing

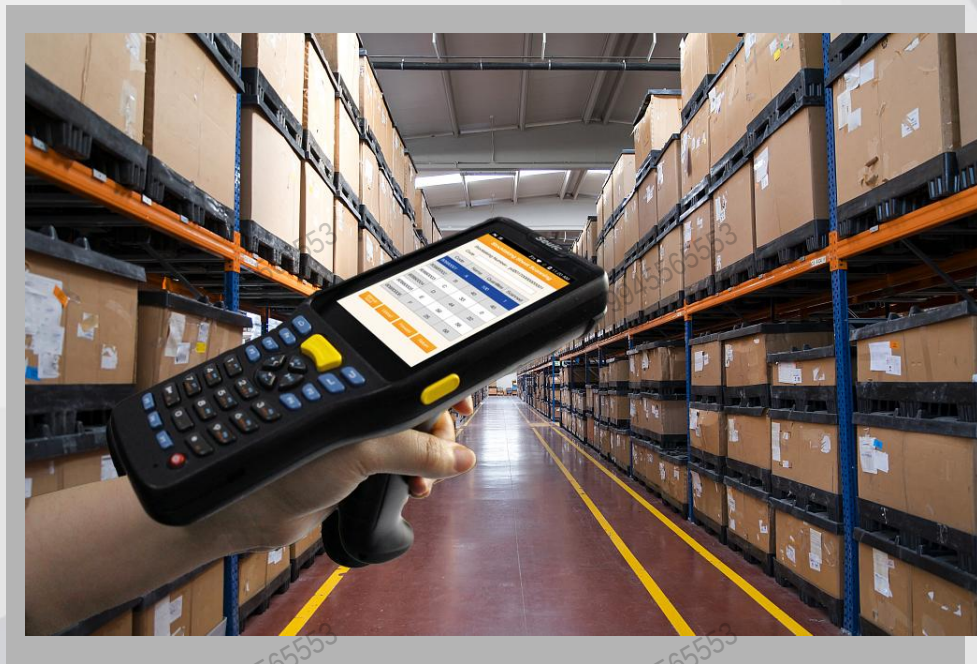

AUTOID® Q7-(Grip)

Cost-effective Industrial Grade Handheld Terminal for Professional Warehousing Applications

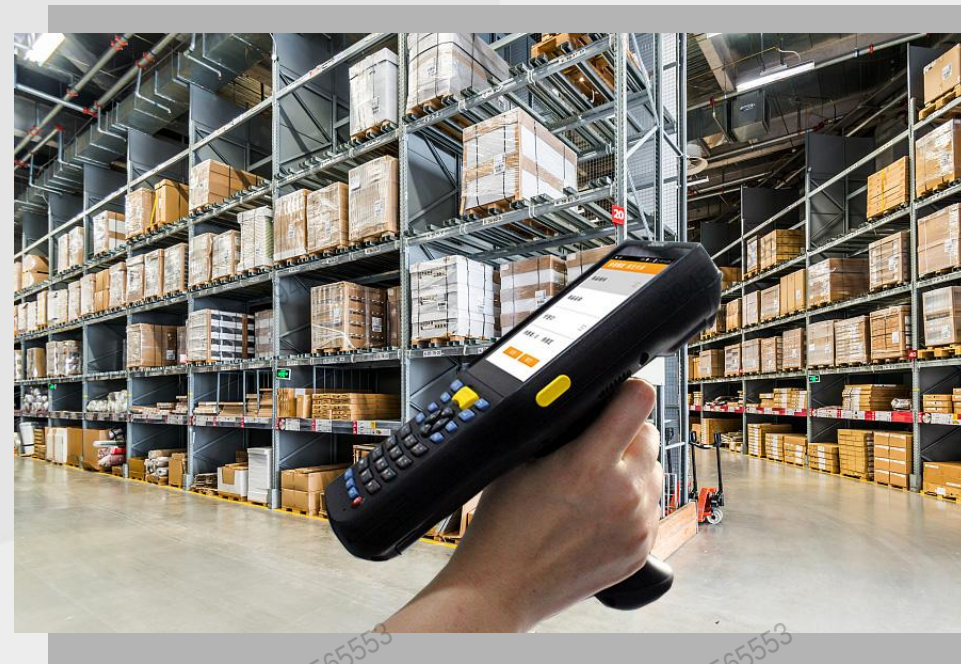

- Straight Shooter, Detachable Trigger Handle, Optional 2D Long-range Scanner
- Provide users with cost-effective warehousing and long-range scanning solutions

Applications

Seuic

Professional Warehousing

AS/RS

AUTOID®Q7-(Grip)

01

Features

Powerful Scanning Performance, The Ultimate User Experience

Straight Shooter with Reasonable Weight for The Ultimate Scanning Experience with A Pistol Grip

Professional Scanning Engine, Super Simple Data Capture

- Fast Capture: Over 3 times per second.
- Long Range: 5m for 1D scanning & 15m for 2D scanning.
- Easily identify all kinds of barcodes with bad conditions.

Matte Silver

High Density

Oiled

Damaged

DPM

Bubble Bag

15M LONG-RANGE SCANNING

- Excellent Long-range Scanning Engine
- 10m Bright Light Positioning, Optional Laser Assisted Positioning
- Depth of Field: 5CM-15M
- More Comfortable Scanning with Pistol Grip

15m

DETACHABLE GRIP

- Professional ergonomic design and the ultimate comfortable grip for more applications needs.

SUPERIOR WIFI CONNECTION

- Solve the problem of insufficient signal coverage and reduce the cost of enterprise network.
- Solve the problem of high AP deployment density and guarantee smooth device communication.
- Solve the problem of data transmission AS/RS for real-time data exchange.

LONG LASTING

- High Capacity Battery — Support Warm Swap with Grip Attached, Is Plenty for Two Shifts.
- Independent Power Design, Largest Capacity of The Similar Type.
- SW & HW Security Protection.
- Low Power Consumption.

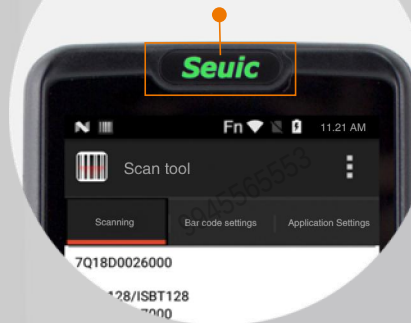

MULTIPLE FEEDBACK MODE

- **Eye-catching LED Indicator**
- **Professional Sound Cavity**
110dB, twice the volume of competitors and vibration supported.

LED Indicator

Professional Sound Cavity

Efficient Keypad Design with Increased Efficiency by 30%

Study The Cold Chain Usage Habits, Streamline Cold Storage Handling.

- 3 Scan Keys & 16 Custom Shortcuts
- Bigger Key & Bigger Space
- Anchor Point for Scan & Number Keys

2 MILLION Times Key Life
Keys Placed Based on The Use Frequency

Seuic

ULTRA-RUGGED TO CHALLENGE DEMANDING ENVIRONMENTS

- AUTOID®Q7-(Grip) with Pistol Grip Still Meets The Reliability Requirements.

1.8m+ Drop

Ultra-rugged with increased protection around the scan window.
Over 60 reliability tests by CNAS Lab of SEUIC.

Seuic

Automatic Noise-cancellation
for Clearer Voice

READY FOR VOICE APPLICATION

Easier Operation, Higher Productivity

- First-class voice optimized for infield voice operations
- Complete voice solution including receiving, picking & intercom.

Comprehensive Device Management Solutions

Local Management (AUTOID®Q7-(Grip) Built-in)

- Mobile Butler
- Once Configure
- FeatureSettings
- Updater
- Scan Tool
- Custom Input

Cloud Management

- Visible Device Management
- Improve IT Capability

- Information Security
- Device Maintenance
- Software Upgrade

Cloud Deployment

Private Development

Order & Accessory

AUTOID® Q7-(Grip) Order Example

STANDARD/OPTIONAL	CHARACTERISTICS	FUNCTION CODE	WIFI Version	4G Version	SPECIFICATIONS (Android 7)
Standard	CPU	/	√	√	Octa-core 1.8GHz
	Operating System	/	√	√	Android 9.0
	RAM/ROM	/	√	√	3G/16G
	Display	/	√	√	4 In., 480*800
	Power	/	√	√	5200mAh
	Industrial Protection	/	√	√	IP65/1.8m
	WIFI	/	√	√	802.11a/b/g/n/ac
	Bluetooth	/	√	√	Bluetooth 4.2, BLE
	HF	/	Unsupported	√	HF13.56MHz, Support NFC
	GPS	/	Unsupported	√	GPS, Beidou, GLONASS
	4G	G	Unsupported	√	4G
Optional	CAMERA	C	√	√	13MP, Auto Focus
	Without Pistol Grip	Grip-	√	√	/
	With Pistol Grip	Grip+	√	√	/
	1D Scan Engine	S1-1	√	√	Zebra SE965
	2D Scan Engine	S8	√	√	Honeywell N6603 SR
	2D Scan Engine	X3(HD)	√	√	High density Version
	2D Scan Engine	X3(MR-U)	√	√	Middle Range Version
	2D Scan Engine	S3	√	√	Zebra SE4850 Extended Range (without 4G and camera)
	Laser positioning	J	√	√	Laser assist positioning(only for S3)

Order Example:

1. X3(MR-U) Scan Engine, Camera, with Pistol Grip, WIFI version, Model: AUTOID Q7-(Grip)-1.8Q8-9.0-3/16-X3(MR-U)C13-(Grip+)
2. Long Range, with Pistol Grip, WIFI Version, Model: AUTOID Q7-(Grip)-1.8Q8-9.0-S3C13-(Grip+)

AUTOID® Q7-(Grip) Standard Accessory

Seuic

Standard Accessory

Li-ion

Model: D313P_BATPACK_5200mAh_V1(P)

Adapter

Note: Please select correct adapter listed below.

USB Cable

Model: WT18013102

Hand Strap

Model: D313P_BELT_V2

Product Name	Model
Adapter (CN)	TPA-23A050200CU01
Adapter (EU)	TPA-46050200VU
Adapter (UK)	TPA-38A050200BU01
Adapter(US)	TPA-23A050200UU01

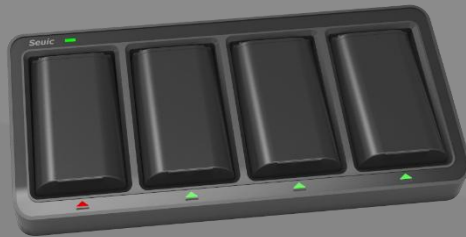

- **Warranty Card *1**
- **Quick Start Guide *1**

AUTOID® Q7-(Grip) Optional Accessory

Seuic

Optional Accessory

4-Slot Battery Charger

Model: 7N-SC02

**Note: Please remark the
needed adapter
accordingly**

Single Charging Dock

Model: 7N-DT03

Support Ethernet
Model: 7N-DT04

Penta Charging Dock

Model: 7Y-WZ01

Support Ethernet
Model: 7Y-WZ02

AUTOID® Q7-(Grip) Optional Accessory

Seuic

Optional Accessory

Multi-use back pack

Model: D310U_BAG_V1

Attachable
Trigger Handle

Model: 7Y-HD01

Stylus

Model: D3F_PEN_V1

Stylus Rope

Model: ROPE_100324
